The image consists of three screenshots from a computer monitor displaying different stages of a CV submission process.

Screenshot 1: A screenshot of a web browser showing the "Informação pessoal" (Personal Information) section of a CV form. It includes fields for Name, Date of Birth, Nationality, Race, CPF, Passports, and Mother's Name. A photo of the user is displayed. The browser interface shows tabs for "Area do Aluno", "Página da instituição", "Register - Overleaf", "Plataforma Lattes", and "Cadastro - Currículo Lattes". A status bar at the bottom right indicates "POR PTB2" and the date "29/08/2025".

Screenshot 2: A screenshot of a modal window titled "www.cnpq.br diz" (www.cnpq.br says). It displays a message stating that the CV could not be saved due to 3 failed attempts and advises contacting the Central de Atendimento. Below this, a progress dialog box says "Processando, por favor aguarde" (Processing, please wait) with an "OK" button. The background shows the same CV form as the first screenshot.

Screenshot 3: A screenshot of the Overleaf editor interface showing a LaTeX code editor and a preview of the CV document. The code editor highlights the "education" section. The preview shows the "Formação Acadêmica" (Academic Formation) and "Experiência Profissional" (Professional Experience) sections. The Overleaf toolbar includes "Review", "Share", "Submit", "History", "Layout", and "Chat". The status bar at the bottom right shows "POR PTB2" and the date "29/08/2025".
